

## **CANCELLATION NOTICE**

### **LF 333, Vehicle Control Center Travel Envelope (Oct. 2000)**

**Cancelled effective 1-18-08.**

LF 333, Vehicle Control Center Travel Envelope (Oct. 2000), was the tool used by government vehicle users to store and record all credit card and government facility fuel receipts, recording date/mileage/no. of gallons and to enclose vehicle key immediately after completion of travel to the Vehicle Control Center. Because the travel fleet has been removed from service, this form is no longer needed.
